SUPPLEMENTARY INFORMATION:

The Department of Commerce is seeking nominations to fill vacancies on the Committee. The Committee was established on November 21, 2011, and the Committee was rechartered on November 20, 2013. The new charter increased the maximum membership of the Committee to forty-five (45) members. Members will serve for a two-year term and will be selected in accordance with applicable Department of Commerce Guidelines based upon their ability to advise the Secretary of Commerce on the necessary elements of a comprehensive policy approach to supply chain competitiveness designed to support U.S. export growth and national economic competitiveness, encourage innovation, facilitate the movement of goods, and improve the competitiveness of U.S. supply chains for goods and services in the domestic and global economy; and to provide advice to the Secretary on regulatory policies and

programs and investment priorities that affect the competitiveness of U.S. supply chains.

The Committee provides detailed policy and technical advice, information, and recommendations to the Secretary regarding:

 - b. For purposes of Committee eligibility, a U.S. organization is controlled by U.S. persons, as determined based on its board of directors (or comparable governing body), membership, and funding sources, as applicable.

In addition to the above requirements for all nominations, nominations for experts from academia should also provide the following information:
